

Janeiras

Aqui estamos nós, todos reunidos
Cantando as janeiras prós nossos amigos
Sem nenhum interesse e muita amizade
Cantando as janeiras à sociedade.

Somos bons alunos e vimos cantar
Dar as boas festas, para vos alegrar
Neste novo Ano que Deus vos ajude
A ter muita paz, amor e saúde.

Estamos a acabar, temos de partir
Mas jamais iremos, sem nos despedir
Senhor desta casa, batam-nos as palmas
Sejam lá bondosos, encham-nos as almas.

Cá nos despedimos;
Com muito agrado;
Da escola da Nery;
O nosso Muito Obrigado.

Janeiras

Here we are, all together
Singing "Janeiras" to our friends
Without any interest but a great friendship
Singing "Janeiras" to society.

We are good students and we are here to sing
And wish you New Year and happiness
In this New Year may God help you
To have a lot of peace, love and health.

We're finishing, and we have to leave
But we will never go without saying goodbye
Master of this house, clap your hands for us
Be kind and fulfill our souls.

Here we are saying goodbye;
Feeling very pleased;
From the school of Nery;
Our thanks to you.
